If calculations are run for multiple frequencies using the same calculation date, the reports include data from all payroll frequencies. Reports display data in payroll frequency order. Errors must be corrected before continuing. Once corrections are made, run the accrual calculations again to ensure that the corrections were completed.

**Note:** For all of the reports above except the EOY Accrual Table - Hourly Data and EOY Accrual Table - Daily Data reports, the information is retrieved from the accrual calculations temporary work file that is used to generate all transactions that are posted to the Finance application. The information cannot be modified; however, the LEA can adjust the information in the employee's record and rerun calculations to change the data stored in the employee's record in the temporary work file.

## Run accrual reports:

Field	Description
<b>GenRpt</b>	Select to select the report(s) from the list, or click <b>Select ALL Reports</b> to select all reports.
<b>Sort Order</b>	Click ▼ in each report to see available sort options. If the field is blank, no sort options are available.

☐ Click **Generate Reports**. All selected reports are generated with the new information.

- Verify the totals of each report and correct all errors.

If corrections are required:

- Navigate to the [Payroll > Next Year > Copy CYR Tables to NYR > Clear Next Year Tables](#) page.
- Select **Clear EOY Accrual Data Only** (do not move any tables)
- Click **Execute** to clear only the EOY accrual data.

- Run accrual calculations again and generate reports to verify the corrections.

The EOY Payroll Accrual Reports include:

- **EOY Accrual Table - Hourly Data** - displays the frequency, start date for each hourly job code, the estimated hours worked in August for the job code, and the current hourly job code description.
- **EOY Accrual Table - Daily Data** - displays the frequency, start date for each daily job code, the estimated days worked in August for the job code, and the current daily job code description.
- **EOY Accrual Information** - displays the information of the August accrued pay by hourly/daily job codes.
