Retrieve data:

Field	Description
Group Code	Click ▼ to select a group code from the drop down. After you select a group code, the associated transactions (Cash Receipts , Checks , and Journal Vouchers) are displayed in accordion style sections. The group codes are populated from the Tables > Bank Account Fund Groups > Bank Account Group tab.

Cash Receipts

The **Cash Receipts** section is expanded by default if cash receipts exist for the selected group code.

Click **Cash Receipts** to collapse the section. The following cash receipt information is displayed and can be modified:

- Receipt Nbr** - cash receipt number
- Amount** - total cash receipt amount
- Date** - cash receipt date
- Description** - cash receipt description

By default, the results are sorted in ascending order by cash receipt number. Click a column heading to sort the data in ascending or descending order.

- ▲ - indicates that the column is sorted in ascending order
 - ▼ - indicates that the column is sorted in descending order
-

Checks

Click **Checks** to expand the section and view the checks associated with the selected group code. Click **Checks** again to collapse the section. The following check information is displayed and can be modified:
