## Change Password

To change your password, from the ASCENDER Home page, click  next to your user name and then click **Change Password**.

The Change Password page is displayed.

A screenshot of the "Change Password" page in the ASCENDER system. The page has a dark background with a blurred image of a child's face. At the top left, the ASCENDER logo is visible, with the tagline "ELEVATING TECHNOLOGY SOLUTIONS". The main content is a dark modal box with the title "Change Password". Below the title, there is a "User ID:" field with the value "User". There are three password input fields: "Old Password:", "New password:", and "Confirm Password:". Each field has a lock icon on the left. At the bottom of the modal, there are two buttons: "Save" and "Cancel".

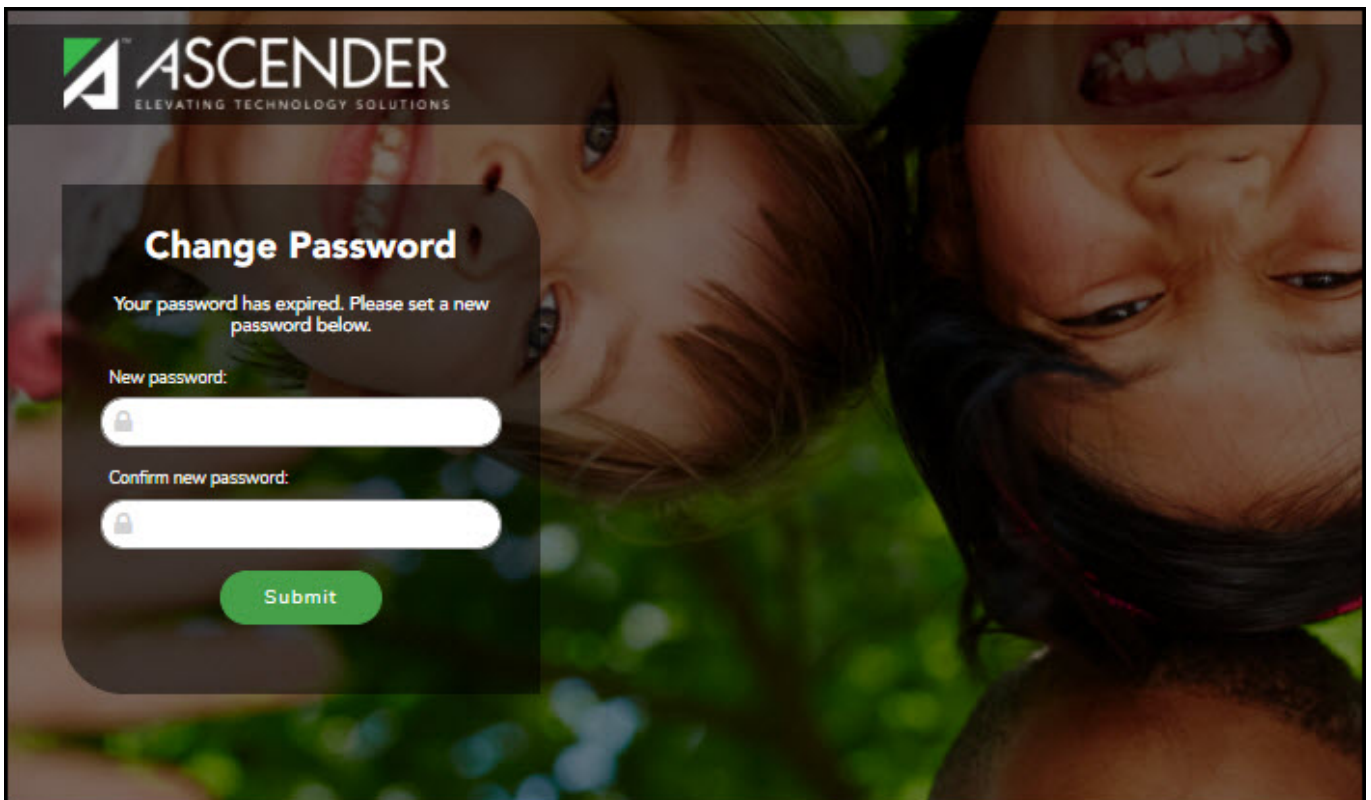

<b>User ID</b>	Your LEA-issued user ID is displayed.
<b>Old Password</b>	Type your old (current) password.
<b>New Password</b>	Type your new password.
<b>Confirm Password</b>	Retype your new password to confirm.

Click **Save** to save your new password.

Click **Cancel** to cancel the request and return to the ASCENDER Home page.

**Note:** The ASCENDER password requirements are defined by the LEA on the Utilities > Set TxEIS Preferences page in DBA Assistant.

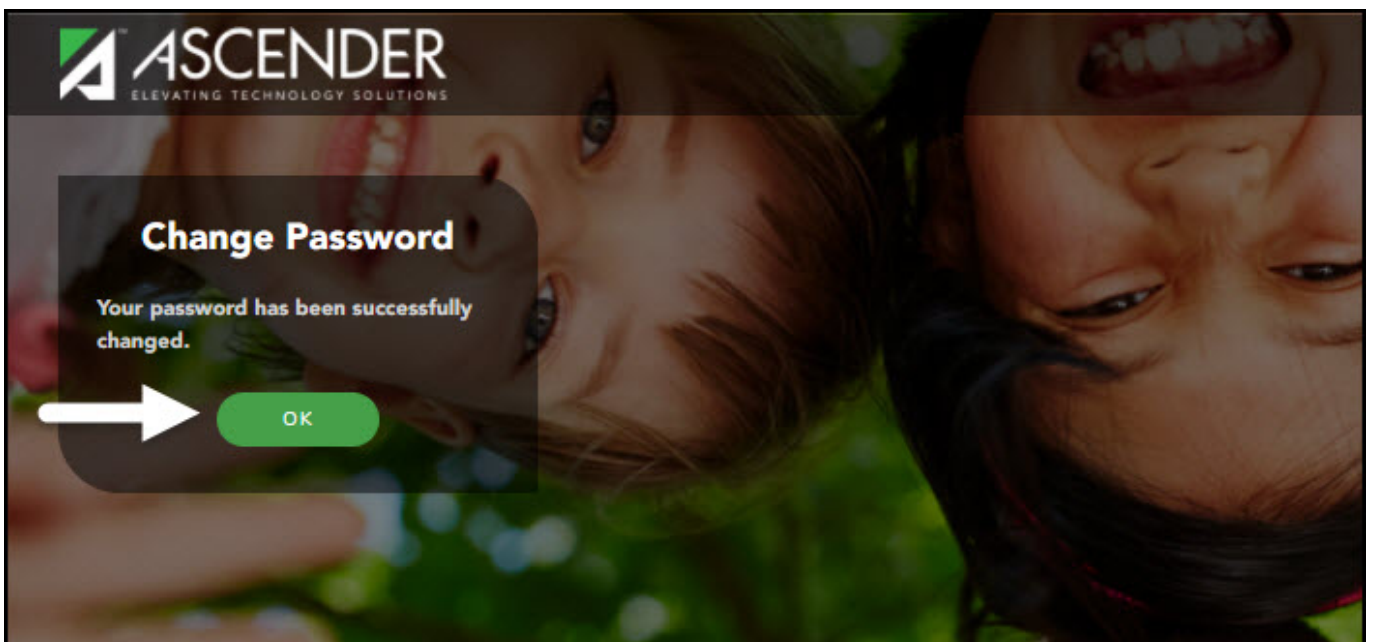

If your password expires, the Change Password page is displayed.

You will be prevented from reusing a previous password:

The following page is displayed upon successfully changing your password:
