

Session Timers

Table of Contents

On each application page, under the menu bar, a session timer is displayed. As each page is displayed, the timer resets.

A screenshot of a session timer displayed in a dark grey box with a thin yellow border. The text inside the box reads "Session Timer: 188 min and 43 sec".

Session Timer: 188 min and 43 sec

The session timers are managed on the [Options > Session Timers](#) page in District Administration.
