## Software Version

The following information is displayed at the bottom left side of the page in the main menu.

Field	Description
<b>Version</b>	Displays the ASCENDER software version.
<b>Build</b>	Displays the ASCENDER software build number.
<b>Host</b>	Displays the software server host information.
<b>Browser</b>	Displays the browser and version details (e.g., Google Chrome Version 65.0).
<b>County/District</b>	Displays the county district number to which you are logged on. To change this number, log out and log back in with a different number.
