cash_receipts

Table of Contents

This section is expanded by default if cash receipts exist for the selected group code. Click **Cash Receipts** to collapse the section.

The following cash receipt information is displayed and can be modified:

Receipt Nbr - cash receipt number
Amount - total cash receipt amount
Date - cash receipt date
Description - cash receipt description

By default, the results are sorted in ascending order by cash receipt number. Click a column heading to sort the data in ascending or descending order.

▲ - indicates that the column is sorted in ascending order
▼ - indicates that the column is sorted in descending order
