

## cash\_receipts

# Table of Contents

The **Cash Receipts** section is expanded by default if cash receipts exist for the selected group code.

Click **Cash Receipts** to collapse the section.

The following cash receipt information is displayed and can be modified:

**Receipt Nbr** - cash receipt number

**Amount** - total cash receipt amount

**Date** - cash receipt date

**Description** - cash receipt description

By default, the results are sorted in ascending order by cash receipt number. Click a column heading to sort the data in ascending or descending order.

▲ - indicates that the column is sorted in ascending order

▼ - indicates that the column is sorted in descending order
