

# cash\_receipts\_reconciliation\_displayed

# Table of Contents

The **Cash Receipts** section is expanded by default.

Click **Cash Receipts** to collapse the section.

Select the **Recon** check box for each cash receipt transaction to be reconciled.

Click **Select All** to select all of the transactions in the section or click **Unselect all** to clear all of the selected transactions.

The following cash receipt information is displayed:

**Receipt Nbr**

**Amount**

**Date**

**Description**

By default, the results are sorted in ascending order by cash receipt number. Click a column heading to sort the data in ascending or descending order.

▲ - indicates that the column is sorted in ascending order

▼ - indicates that the column is sorted in descending order
