Setup Budget Amendment Request Checklist

The purpose of this document is to guide you through the process of setting up ASCENDER Business to begin using the Budget Amendment Request feature.

This document assumes you are familiar with the basic features of the ASCENDER Business system and have reviewed the [ASCENDER Business Overview guide](#).

Some of the images and/or examples provided in this document are for informational purposes only and may not completely represent your LEA's process.

LEAs Not Using Workflow

Use this checklist if **Allow for Approval Process** is not selected on the Finance > Tables > District Finance Options page. The workflow process will not be used.
