Check Processing Checklist

The purpose of this document is to guide you through processing district checks and maintaining business records.

This document assumes you are familiar with the basic features of the ASCENDER Business system and have reviewed the [ASCENDER Business Overview guide](#).

Some of the images and/or examples provided in this document are for informational purposes only and may not completely represent your LEA's process.

- 1. Review the following Finance reports to ensure accuracy of proposed check transactions.
[Finance > Reports > Finance Reports > Journals, Checks, Detail Ledgers > FIN1300 - Check Payments List](#)
[Finance > Reports > Finance Reports > Vendor/Purchase Order Reports > FIN2150 - Outstanding Purchase Orders](#)
[Finance > Reports > Finance Reports > Vendor/Purchase Order Reports > FIN2300 - Outstanding Credit Memo Listing](#)
- 2. Correct report listings:
Review and identify all transactions that will be processed as well as those not to be processed at this time. Return to the source pages to enter changes and run reports again. Repeat the process until the reports reflect all the transactions the district wants to process.
- 3. [Finance > Utilities > Export Finance Tables](#)
Export the database.
- 4. [Finance > Maintenance > Check Processing > Print Checks](#)
Print checks and post to the general ledger.
- 5. Print the following Finance reports to ensure accuracy of check transactions that were processed.
[Finance > Reports > Finance Reports > Journals, Checks, Detail Ledgers > FIN1250 - Check Register](#)
[Finance > Reports > Finance Reports > Journals, Checks, Detail Ledgers > FIN1300 - Check Payments List](#)
Compare the fund transfer summary totals to the Check Payments List and the Check Register totals to ensure all reports are in balance.
