Moving 11-, 12-, or 13-month Employees from NY Payroll to CY Payroll Checklist

It is highly recommended that you process the export when the Export prompt is displayed for a process. Be sure to create folders for each export so that if you need to import from a particular step, you can easily locate which file to use. If you perform an export on the same process multiple times, it is recommended that you move the previous exports to separate folders so they are not replaced by the new export in case you need to import from a particular step.

- Before moving the 11-month employees (August through July contracts), the July payroll should be posted and all reports printed and verified. Be sure to print the School YTD report to verify data prior to this move.
- Before moving the 12-month employees (July through June contracts), the June payroll should be posted and all reports printed and verified. Be sure to print the School YTD report to verify data prior to this move.
- Before moving the 13-month employees (August through August contracts), the July payroll should be posted and all reports printed and verified. Be sure to print the School YTD report to verify data prior to this move.

This checklist assumes you are familiar with the basic features of the ASCENDER Business system and have reviewed the [ASCENDER Business Overview guide](#).
