checks

Table of Contents

Click to expand the section and view the checks associated with the selected group code. Click **Checks** to collapse the section.

The following check information is displayed and can be modified:

Freq
Micr
Check Nbr
Amount
Date
Payee Nbr
Payee Name

By default, the results are sorted in ascending order by check number. You can click a column heading to sort the data in ascending or descending order.

▲ - indicates that the column is sorted in ascending order
▼ - indicates that the column is sorted in descending order
