Table of Contents

Click  to display the Regular Payroll (RP) pop-up window.

The image shows a pop-up window titled "Regular Payroll (RP) Type". It features a search field at the top. Below the search field is a table with two columns: "Code" and "Description". The table contains two rows: "RP20 Regular Payroll" and "RP25 Regular Payroll Adj". The "RP20" row has a checked checkbox, while the "RP25" row has an unchecked checkbox. At the bottom of the window, there are two buttons: "Select" and "Cancel". The "Select" button is circled in red.

	Code	Description
<input checked="" type="checkbox"/>	RP20	Regular Payroll
<input type="checkbox"/>	RP25	Regular Payroll Adj

In the **Search** field, type the record type to narrow the selection. Select the RP record type(s) to be included.

RP20 Regular Payroll

RP25 Regular Payroll Adj

Click **Select** to close the pop-up window and populate the field with the selection(s).

Click **Cancel** to return to the Create Files Tab. Leave the field blank to include all RP record types.
