

ein_ssn

Table of Contents

Type	Click ▼ to select the EIN (employee identification number) or SSN (social security number). This selection determines the format that is displayed or printed on reports.
Number	The selected format (XXX-XX-XXXX for SSN or XX-XXXXXXXX for EIN) in the Type field is displayed. If the field is not populated at the time the 1099-MISC is printed, this vendor is not included.

Note: The vendor can have an EIN or SSN without the **1099 Eligible** flag selected. However, for transactions to be selected and included on the FIN2050 - 1099 Report, the **1099 Eligible** flag must be selected. The **1099 Eligible** flag and the **EIN/SSN** must be populated for a 1099-MISC form to be printed.
