Federal EEOC Report

What is EEOC?

- EEOC is an acronym for Equal Employment Opportunity Commission.
- The government requires LEAs to report employee demographic information and activity assignment classification in accordance with the U.S. Department of Education requirements.
- EEOC reporting is done biennially (every other year) and is usually due in November of the applicable year.
- The EEOC reporting requirement applies to LEAs with 100 or more employees. The employee count does not include temporary or substitute employees.

For further information about EEOC requirements, reference the [EEO-5 Data Collection Instruction Booklet](#).

Filing EEOC Reports

EEOC Reporting requires that LEAs file electronically using the EEO-5 Online Filing System (OFS).

In Payroll, generate the [Personnel > Reports > Personnel Reports > HRS1200 - Federal EEOC Report](#) to create the EEOC File or file to be submitted electronically via the EEO-5 Online Filing System (OFS).

- In the **Office of School Number** report parameter, type the 7-digit district ID number issued by the EEOC when you registered for an account. This information is required.
- Complete the report parameters below the **Office of School Number** as applicable.

Helpful Information

If the **EEOC Code** field is selected for a job code on the Personnel > Tables > Job/Contract tab, then

the **EEOC** field will be automatically populated when creating job records for new employees on the Payroll > Maintenance > Staff Job/Pay Data > Job Info tab.

Keep in mind, the **EEOC Code** field should not be selected for temporary employment and substitute job codes as those employees should not be included in EEOC Reporting.

The screenshot shows a web application interface for managing job records. At the top, there is a green header with a home icon and the text "Tables > Job/Contract".
