Perform an export

Log on to file ID C.

[Finance > Utilities > Export by File ID](#)

It is important to perform an export prior to making significant changes. This allows you to revert data to a certain point in the process if necessary.

This step should be completed prior to continuing the process.

Create an export of file ID C.

Reminder: Do not change the export file name as it may cause issues during the import process.

Utilities > Export by File ID

Finance

Execute

File ID: C
