Under **Finance Options**, ensure that the following fields reflect data for the new school year:

- **Current Finance Fiscal Year**
- **Previous Year File ID**
- **School Year** and **Starting Accounting Period** - These fields should be automatically updated after the Fiscal Year Close utility is processed. The starting accounting period should be either 07 for June year-end LEAs or 09 for August year-end LEAs.

**IMPORTANT:** If the **School Year** and **Starting Accounting Period** fields were not automatically updated, contact your regional ESC consultant for further assistance.

**Notes:**

- If applicable, update the **Student Activity Fund/Year** field.
- If your LEA has started using the revenue and expenditure codes for the Student Activity Fund, then this section should be blank.

While on this page, you can also update your next available numbers under **Finance**, **Purchasing**, and **BAR** if you choose to. **It is recommended** that you incorporate the year in the next available number sequences. Update the **Finance** and **Payroll Clearing Fund/Fiscal Year** fields. Be sure to verify your offset accounts for the new fiscal year.

The screenshot shows the 'Clearing Fund Maintenance' interface. At the top, there's a breadcrumb trail: 'Tables > District Finance Options' and a dropdown menu for 'Finance'. Below this is a 'Save' button and a 'File ID: C' label. The main content area has three tabs: 'FINANCE OPTIONS', 'ACCOUNTING PERIODS', and 'CLEARING FUND MAINTENANCE' (which is selected). Under the 'CLEARING FUND MAINTENANCE' tab, there's a 'Codes for Fiscal Year' dropdown menu currently set to '6'. To the right of this dropdown are four buttons: 'Retrieve', 'Add', 'Delete', and 'Print'. At the bottom of the page, there are two input fields: 'Finance Clearing Fund / Fiscal Year' with the value '199 / 6' and 'Payroll Clearing Fund / Fiscal Year' with the value '199 / 6'.

Verify that the data is accurate for the new fiscal year and update the fields as needed.

**IMPORTANT:** Some LEAs may have old data for fiscal year 6; therefore, **it is required** to complete the following steps to ensure that you are creating a new fiscal year 6 record.

In the **Codes for Fiscal Year** field, select 6 and click **Retrieve**. If data exists for fiscal year 6, it is displayed.

Click **Delete**. The following message is displayed.

- Click **Yes** to continue.
- Click **Save** to save the changes.
- Click **Add** to create the 6 fiscal year record and complete the following fields:
  - In the **Finance Clearing Fund/Fiscal Year** field, type the applicable fund (e.g., 164/6, 864/6, etc.) according to your LEA.
  - In the **Payroll Clearing Fund/Fiscal Year** field, type the applicable fund (e.g., 163/6, 863/6, etc.) according to your LEA.

Review and complete the other fields on the page as needed.

The fiscal year value is automatically populated in the **Overpayment Account** field.
