## Set up alternate approvers as needed

### Grants and Projects > Tables > SSA Alternate Approvers

Assign an alternate approver to an approver who is unable to perform their assigned approval duties during a specified timeframe for grant requests.

The screenshot shows a software interface for managing alternate approvers. At the top, there's a green header bar with a home icon, the text 'Tables > SSA Alternate Approvers', and a dropdown menu 'Grants And Projects'. Below the header is a 'Save' button. A search bar contains the text 'GRNT : Grant Type' with a 'Retrieve' button next to it. The main area is titled 'Grant Type: GRNT : Grant Type'. It contains a table with columns: 'Clear', 'Approver Emp Nbr', 'Approver Name', 'Use Alternate' (which is circled in black), 'Alternate Emp Nbr', 'Alternate Approver Name', 'From Date', and 'To Date'. Two rows of data are shown: the first row has approver '198100' and name 'LIZ MORENO'; the second row has approver '001147' and name 'YAHIDA ZIMMERMAN'. The 'Use Alternate' checkbox is checked in the second row. The 'From Date' and 'To Date' fields for the second row are highlighted with yellow boxes, showing '10-31-20' and '11-04-20' respectively.
