ER20 Employment of Retirees

The ER20 record is used to report employment information for retirees, regardless of retirement date or retirement type.

Per TRS, if a retiree has multiple jobs, only one ER20 record should be submitted for each retiree. The **Hours Worked**, **Days Worked**, and **Total Gross Compensation** fields should be cumulative, regardless of how many positions the retiree works for the local education agency (LEA).

ER20 Employment of Retirees
