ER20 Employment of Retirees

The ER20 record is used to report employment information for retirees, regardless of retirement date or retirement type.

Per TRS, if a retiree has multiple jobs, only one ER20 record should be submitted for each retiree. The **Hours Worked**, **Days Worked**, and **Total Gross Compensation** fields should be cumulative, regardless of how many positions the retiree works for the local education agency (LEA).

The screenshot shows a software window titled 'ER20 Employment of Retirees'. At the top, it displays the employee's information: Emp Nbr: 000001, Staff ID/SSN: 111-11-1111, Name: 7 HOUR SR, DOROTHY JEAN, DOB: 03-15-1958, Gender: F - Female. Below this, there are two main sections: 'Employment' and 'Amount'. The 'Employment' section contains fields for TRS Position Code (01 - Professional staff), Retiree Employment Type (F - Full-Time), Zero Days Reason (L - Leave Without Pay), Actual Hours Worked (0), Days Worked (0), Contract Begin Date (09-01-2018), and Contract End Date (09-11-2018). The 'Amount' section shows Total Gross Pay, Pension Surcharge, and TRS Care Surcharge, all listed as 0.00. At the bottom right are 'Save' and 'Close' buttons.

The **Emp Nbr**, **Staff ID/SSN**, **Name**, **DOB**, and **Gender** fields are displayed and cannot be changed.
