[District Administration > Options > Position Management](#)

This page is used to create and maintain Position Management options including the types of calculations that should be used in Position Management and the specified default values to be used for certain types of Position Management transactions. These options are not typically changed throughout the school year.

Next Year:

Minimum Foundation Year:

Default Position Record Status:

Payment Options

Round Salary to Nearest Whole Dollar:

During CIC Calculation, Pay One-Time Supplement:

Verify that the following fields are completed and accurate:

- **Current Year**
- **Next Year**
- **Minimum Foundation Year** - Type the four-digit current or next school year in the YYYY format to allow the system to select the corresponding tables to calculate the state minimum salary amount. If this year matches the current year value, the current Personnel state minimum table is used. If this year matches the next year value, the next year Personnel state minimum table is used.
