Table of Contents

Human Resources > Next Year > Copy CYR Tables to NYR > Copy Current Year Tables

Click **Select All Tables** to select all current year tables to be copied to next year. It is recommended that all tables are copied so that you have immediate access to any selected table.

- This process copies tables for all next year frequencies except the school calendar table, regardless of the frequency to which you are logged on.
- To copy the school calendar, log on to each frequency to do so. The school calendar itself is not copied only the calendar code and the calendar description.
