It is recommended that you build the calendar with the greatest number of days worked first, and then use the Copy School Calendar tab to build other calendars by making modifications to the original.

IMPORTANT:

- For TRS purposes, a TR calendar with a calendar code of **TR** must be created for all available workdays beginning 09/01. (**TIP:** If 9/01 falls on a weekend day, select the first working day of the month.) The TR calendar is used to populate the number of days worked on the RP report for employees who are not assigned to a school calendar
- For TRS purposes, ASCENDER submits retirees' contract days one month at a time. This allows maintenance on the reporting of half time or full time from month to month on retirees.
