## Table of Contents

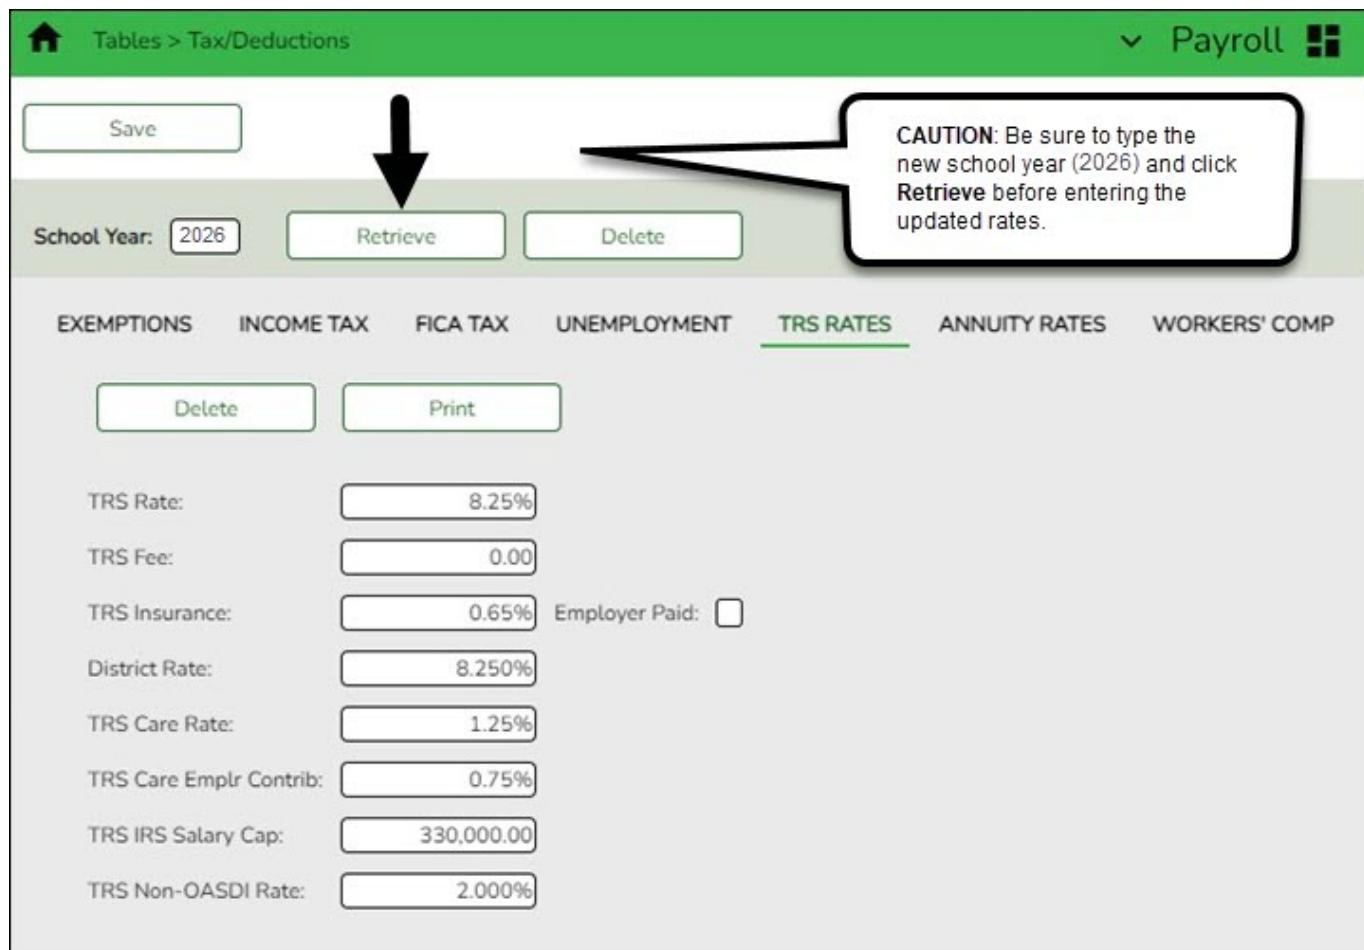

## Payroll &gt; Tables &gt; Tax/Deductions &gt; TRS Rates

Update the TRS rates.

**Caution:** Be sure to retrieve the 2022 school year data prior to updating this tab.

**IMPORTANT:** Be sure to visit the TRS website:

[https://www.trs.texas.gov/Pages/re\\_contribution\\_rates.aspx](https://www.trs.texas.gov/Pages/re_contribution_rates.aspx) to obtain the updated rates for the next school year, and then return to this table to update the new rates.

The screenshot shows a software interface for managing TRS rates. At the top, there's a green header bar with a 'Tables > Tax/Deductions' link, a 'Payroll' dropdown, and a home icon. Below the header, there's a toolbar with 'Save', 'School Year: 2026', 'Retrieve', and 'Delete' buttons. A large black arrow points from the 'Save' button to a callout box containing the following text: 'CAUTION: Be sure to type the new school year (2026) and click Retrieve before entering the updated rates.' Below the toolbar, there are tabs for 'EXEMPTIONS', 'INCOME TAX', 'FICA TAX', 'UNEMPLOYMENT', 'TRS RATES' (which is underlined in green), 'ANNUITY RATES', and 'WORKERS' COMP'. Under the 'TRS RATES' tab, there are several input fields: 'TRS Rate: 8.25%', 'TRS Fee: 0.00', 'TRS Insurance: 0.65%', 'Employer Paid: ', 'District Rate: 8.250%', 'TRS Care Rate: 1.25%', 'TRS Care Emplr Contrib: 0.75%', 'TRS IRS Salary Cap: 330,000.00', and 'TRS Non-OASDI Rate: 2.000%'. Below these fields are 'Delete' and 'Print' buttons.

- To create a new TRS rates record, type the new year (2022) and click **Retrieve**. A message is displayed indicating that the new record is populated based on the prior year (2021) TRS rates record, click **Save** to retain the record.
- Complete the applicable fields. This information is used when performing calculations and extracts to Budget.
