Update the job codes.

Image

The screenshot shows a web application interface for managing job codes. At the top, there is a 'Save' button and a navigation menu with tabs for 'Job Codes', 'Contract Class', 'Contract Term', 'Contract Year', 'Extract ID', and 'Termination Reason'. Below the navigation, there are 'Retrieve' and 'Print' buttons. The main area contains a table with the following columns: Delete, Job Code, Job Description, EEOC Code, Account Code, Salary Concept, Increase Pay Step, and FSP Salary Class Code. The table lists seven job codes with their respective descriptions and settings.

- Select the appropriate **Salary Concept** for each job.
- (Optional) Update the distribution **Account Code** fields.

The job codes table is not shared between the current year and next year records.

**Reminder:** In the **FTE Hrs** field, type the appropriate full-time hours for each job code. Effective September 2017, the scheduled weekly hours are used by TRS Reporting.
