Table of Contents

This tab is used to automatically reference the correct annual salary for employees, based on their pay grade, pay step, max days employed, and local schedule code. This table can be utilized to alter simulations for those employees, such as teaching staff, whose pay is based on an annual amount with step increases for years of service.

Set up local annual salary data:

Field	Description	
	Type the name of a simulation or click to select the simulation name from a list.
