Select Insurance Codes

The Insurance Codes lookup is used to select one or more insurance codes.

Select an insurance code:

- The insurance codes are are listed in ascending order.
- To search for a specific insurance code, begin typing the insurance code or description in the **Search** field. The list is automatically filtered to display the insurance codes that contain the characters that you have typed.
- When you locate the insurance codes to be included, select the corresponding check box and click **OK**. The lookup closes, and the field/parameter is populated with the selected IDs.
- Click **Cancel** to close the lookup without selecting an insurance code.
