### Set up grant types

#### Grants and Projects > Tables > SSA Grants > Grant Types

Set up a list of grant types and descriptions that can be used to facilitate the appropriate workflows and member notifications for each grant. Grant types are tied to a **Grant ID** and **Member** on the Grant Maintenance page. Grant types cannot be changed once they are in use; however, grant descriptions can be changed at any time.

Additionally, you can use the grant amounts spyglass feature to maintain annual budget amounts for multi-year grant types.
