Personnel > Maintenance > Staff Demo > Demographic Information

Indicate the employee's commute distance. This information is used when calculating travel distances for travel reimbursement requests.
☐ In the Travel Commute Distance field, type the commute distance (the number of miles between the employee's home and assigned work location). Valid values are 0-999.9.
This field can also be updated by the employee via the Commute Distance Change link on the Travel Reimbursement Requests page in EmployeePortal.
