# Table of Contents

Click  to select a code, or type the first letter of the 1099 box code of the transaction that should be printed in the field (e.g., R = Rent).

**Note:** This field determines to which box the dollar amount is added on the 1099-MISC form. Refer to the [Instructions for Form 1099-MISC](#) to assist you in selecting the best-suited payment type option.
