[Human Resources > Reports > User Created Reports > PMIS Report](#)

Generate a PMIS User Created Report to verify that the **Increase Eligible** field is selected for applicable positions. It is possible that the field is not selected for new LEA employees from last year.

For 10- and 11-month employees, **it is recommended** to verify the **Nbr Remain Payments** field prior to calculating salaries.

Select the following fields on the user-created report:

- **First Name**
- **Last Name**
- **Position Nbr**
- **Billet Nbr**
- **Position Type**
- **Increase Elig**
- **Nbr Remain Payments**

Click **Create Report**. The requested report is displayed. Use the sort/filter functionality to group the applicable data.

Note: Only positions with the **Increase Elig** field set to Y will receive a salary increase. The number of remaining payments reflected on this report is the number of annual payments and the number of remaining payments for the employee on the Human Resources > Maintenance > Staff Job/Pay Data > Job Info tab. Perform any position corrections prior to continuing the process.
