## Grants and Projects > Tables > Manage Users

This page is used to manage MemberPortal user accounts. Member users can create an account via the MemberPortal; however, they will not have access to any grant information until the fiscal agent completes their user profile. As a fiscal agent, you can add, change, and delete MemberPortal users. In addition, you can assign admin permissions to certain users, tie users to specific members, and manage the type of access a user has to a grant type.

### Retrieve a record:

Under **Users**, use the following fields to narrow your search results:

<b>First Name</b>	Type the MemberPortal user's first name.
<b>Last Name</b>	Type the MemberPortal user's last name.
<b>Member</b>	Type the member name or county district number.
<b>Admin</b>	Select to only include admin users.
