If selected, and no date range is entered in the **From Date** and **To Date** fields, all pending requests are updated with the alternate approver for the selected original approver. If selected, and a date range is entered in the **From Date** and **To Date** fields, all pending requests are updated with the alternate approver for the selected original approver if today's date falls on or between the from and to dates. If selected, and a date range is entered in the **From Date** and **To Date** fields, and today's date is outside the range of the from and to dates, no updates occur for the selected original approver. If not selected, and/or a date range is entered in the **From Date** and **To Date** fields, no updates occur for the selected original approver. If selected, and then cleared, the alternate approver for all pending requests reverts to the original approver and an email message is sent to the original approver.
