# **Credentials - HRS3000**

#### Human Resources > Maintenance > Staff Demo > Credentials

This tab contains the following employee information categories: education, certification, special credentials, permit, and permit area. The categories contain specifics about where the degree was received, as well as specifics about the certificates and special permits obtained by the employee.

### Add credential data:

| <b>Retrieve an</b> | Search for a record.  |
|--------------------|---|
| existing record.   | Begin typing the employee name or number. As you type the data, a drop-down             |
|                    | list of corresponding data is displayed. Select an employee and click <b>Retrieve</b> . |
|                    | Or, click <b>Directory</b> to perform a search in the Employees directory.              |

Click **+Add** to add a row in any of the below sections.

#### Under **Education**:

| Field   | Description   |  |
|---------|---|--|
| College | Click to select the college that the employee attended.                         |  |
| Year    | Type the year the employee received the degree in the YYYY format.              |  |
| Major   | Click to select the college major for the employee.                             |  |
| Minor   | Click to select the college minor for the employee.                             |  |
| Degree  | Click to select the degree the employee received from the learning institution. |  |

☐ Click **Refresh College** to update the education grid if any education information is changed or if a new row is added.

#### Under **Certification**:

| Certification Type | Click to select the one-character code that describes the type of certificate held by the employee.  |
|--------------------|--|
|                    | The Certification Type values are maintained on the Personnel > Tables > Credential > Certification Type tab.  |
| Date               | Type the date when the employee received the certificate in the MM-DD-YYYY format.   |
| Specialty Area     | Click to select the general area or level covered by the certificate.  The Specialty Area values are maintained on the Personnel > Tables > Credential > Specialty Area tab. |
