Demographic Information - HRS3000 1

Demographic Information - HRS3000

Human Resources > Maintenance > Staff Demo > Demographic Information

This tab is used to enter personnel data including name, address, phone number, and emergency information. The data established through this tab is used throughout the system.

Notes:

- Warning: If the **School Year for PEIMS Codes** field does not contain a valid value on the Tables > District HR Options page, then values will not be displayed in the PEIMS drop-down fields (e.g., Sex, Ethnicity, etc.).
- TEAM ED20 (Demo) and ED25 (Demo Adj) records are automatically created when any demographic information changes are made on this tab.

Retrieve or add demographic information:

Add Emp	<p>Add an employee record.</p> <p><input type="checkbox"/> Click Add Emp to add a new employee record. A blank record is displayed allowing you to begin entering data.</p> <ul style="list-style-type: none"> • If the Auto Assign Employee Number field is selected on the Payroll or Personnel > Tables > District HR Options page, the employee is assigned the next available employee number upon saving the record. • If the Auto Assign Employee Number field is not selected, in the Employee field, type an employee number and click Retrieve. If the employee number is available, the following message is displayed: <p>Click Yes to continue and create the record. Otherwise, click No.</p>	OR	<p>Retrieve an existing record.</p> <p>Search for a record. Begin typing the employee name or number. As you type the data, a drop-down list of corresponding data is displayed. Select an employee and click Retrieve. Or, click Directory to perform a search in the Employees directory.</p>
----------------	--	----	--

Field	Description
Staff ID/SSN	(Only enabled when adding a new employee record.) Type the staff ID which is a nine-digit social security number uniquely identifying the employee.
Texas Unique Staff ID	Type the staff ID which is a 10-digit number assigned to a staff member by the Texas Education Agency. This field is required.
Last Change	The date that the employee's record was last changed is displayed in the MMDDYYYY format. Once a record is saved, the date of the last change to any data on the tab is displayed.

Field	Description
Name	<p>Note: If the Set Demo Alpha Fields to Uppercase field is selected on the Personnel > Tables > District HR Options page, the employee's Legal and Former Name (First, Middle, Last, and Maiden) and Address fields are set to uppercase when a new employee demographic record is created or an existing record is updated.</p> <p><input type="checkbox"/> Under Name, complete the following Legal name fields:</p> <p>Note: It is recommended that you have a copy of the employee's Social Security card available as the employee's legal name should be entered exactly how it is printed on the Social Security card.</p>
Title	Click  to select a legal title for the employee.
First	<p>Type the employee's first name. The field can be a maximum of 60 characters; however, only select pages display all characters. All other pages display 17 characters and truncate the remaining characters.</p> <p>Reported to SSA, IRS, and TRS.</p>
Middle	<p>Type employee's middle name. The field can be a maximum of 60 characters; however, only select pages display all characters. All other pages display 14 characters and truncate the remaining characters. If the employee does not have a middle name, leave the field blank. The middle name can be reported blank for employees only if the employee does not have a middle name on his identification documentation. Do not use text such as NONE or NA.</p> <p>Reported to SSA, IRS, and TRS.</p>
Last	<p>Type employee's last name. The field can be a maximum of 60 characters; however, only select pages display all characters. All other pages display 25 characters and truncate the remaining characters.</p> <p>Reported to SSA, IRS, and TRS.</p>
Generation	Click  to select a generation code for the employee. The field can be blank. The field must be blank if the employee does not have a generation suffix on his name based on the identification documentation used for employment. Reported to SSA, IRS, and TRS.
Maiden Name	Type the employee's maiden name, if applicable. The field can be a maximum of 60 characters; however, only select pages display all characters. All other pages display 25 characters and truncate the remaining characters.
<input type="checkbox"/> Complete the Former name fields (if the employee has a former name):	
Title	Click  to select a legal title for the employee.
