Removed this utility as it is included in the new Fiscal Year Close process and no longer necessary as a stand-alone function.

Finance > Budget Amendment > Delete Amendments > Fund/Fiscal Year

(OBSOLETE) Amended budget transactions are posted in an amended transaction table maintained by the system. The Fund/Fiscal Year tab allows you to delete all transactions for specific funds in the amended transaction table. General ledger transactions are not deleted. This function allows you to delete posted and/or unposted amended budget transactions and any related comments you may have attached to them. This process is usually performed at the beginning of the new school year in order to delete the prior year funds.

Note: The funds presented in the left panel of the page may have posted and/or unposted amended budget transactions.

Delete a fund by fund/fiscal year:
