### Create a calendar YTD record:

Field	Description
<b>Calendar Year</b>	Type the year of the calendar in the YYYY format. The system is set to the current year, if available.
<b>Employee</b>	Begin typing the employee name or number. As you type the data, a drop-down list of corresponding data is displayed. Select an employee and click <b>Retrieve</b> . Or, click <b>Directory</b> to perform a search in the <a href="#">Employees directory</a> .

Under **Calendar YTD Data**, complete the following fields:

<b>Contract Pay</b>	Type the amount of pay issued to the employee during the current calendar year for job responsibilities covered by the contract.
<b>Non-Contract Pay</b>	Type the amount of pay issued to the employee during the current calendar year for job responsibilities not covered by the contract.
<b>Supplemental Pay</b>	Type the total amount of supplement pay issued to the employee during the current calendar year.
<b>TRS Supplemental</b>	Type the amount of the TRS supplemental compensation that was paid to the employee during the current school year.
<b>Tax Emplr Ins Contr</b>	Type the taxable employer's whole life insurance contribution that was paid on the employee's behalf during the current calendar year. The amount from this field is displayed in Box 14 (TFB) on the employee W-2 and as a Tax Fringe Benefit on the W-2 Report.
<b>Non-TRS Bus Allow</b>	Type the amount of any paid business allowances that were not subject to TRS deductions during the current calendar year. The amount from this field is displayed in Box 14 (TXA) on the employee W-2.
<b>Non-TRS Reimbr Excess</b>	Type the amount of the employee's pay that was over the base pay exemption for non-TRS reimbursement during the current calendar year. The amount from this field is displayed in Box 14 (TXA) on the employee W-2.
<b>N-TRS N-Pay Bus Allow</b>	Type the amount of any nonpaid business allowances that were not subject to TRS deductions during the current calendar year. The amount from this field is displayed in Box 14 (TXA) of the employee's W-2.
<b>Tax Emplr Grp Ins Contr</b>	Type the amount of any taxable group life insurance contribution that was paid on the employee's behalf during the current calendar year that exceeds \$50,000. The amount from this field is displayed in Box 12C on the employee W-2 and as Taxed Contribution on the W-2 Report.

<b>457 Withdraw</b>	Type the amount received from a 457 plan withdrawal during the current calendar year. The amount from this field will not display on either the employee W-2 or the W-2 Report.  <b>Note:</b> Determine if the 457 withdrawal meets the criteria for the W-2 or a 1099-R. The IRS has specific requirements based on the type of 457 plan. See the IRS instructions for forms 1099-R, 5498, W-2, and W-3.
<b>Annuities</b>	Type the amount the employee contributed to an annuity during the current calendar year. The amount from this field is displayed in Box 12E on the employee W-2 and as Annuities on the W-2 Report.
<b>Cafeteria 125</b>	Type the amount of the employee's cafeteria 125 plan participation during the current calendar year. The amount from this field is displayed in Box 14 (CAF) on the employee W-2.
<b>TRS Salary Red</b>	Type the amount of the employee's TRS salary reduction during the current calendar year.
<b>457 Emp Contr</b>	Type the amount the employee contributed to a 457 plan during the current calendar year. The amount from this field is displayed in Box 12G on the employee W-2 and as 457 Comp on the W-2 Report.
<b>Emplr Depend Care Taxable</b>	Type the amount of the employer dependent care contribution that has caused the total dependent care (employee and employer) to exceed \$5,000, which is the maximum amount allowed per calendar year. The amount from this field is included in Boxes 1, 3, and 5 on the employee W-2.
<b>Taxable Gross</b>	This amount is calculated based on the amounts entered in the column above it. The amount from this field is displayed in Box 1 on the employee W-2 and as Withhold Gross on the W-2 Report.  <b>Note:</b> If 457 withdraw is indicated on this page for 2006 or later year, the taxable gross on this page will not agree with the taxable gross on the W-2 or the W-2 Inquiry page. See the IRS instructions for forms 1099-R, 5498, W-2, and W-3.

Click **Refresh Taxable Gross** to update the taxable gross amount if any information is changed.

<b>Withholding Tax</b>	Type the amount of federal income tax withheld from the employee's pay during the current calendar year. The amount from this field displays in Box 2 on the employee W-2 and as Withhold Tax on the W-2 Report.

<b>HSA Emp Sal Red Contr</b>	Type the amount the employee contributed to a Health Saving Account. When this field is populated from Payroll Processing, the amount is also included in the <b>Cafeteria 125</b> field. Therefore, if a change is made to the field, the <b>Cafeteria 125</b> field should also be changed.
<b>HSA Emplr Contr</b>	Type the amount the employer contributed to a Health Savings Account for the employee. The amount from this field displays in Box 12 (W) on the employee W-2.
<b>Hire Exempt Wages</b>	Type the amount attributable to the Hiring Incentives to Restore Employment Act.  Negative amounts are not allowed.  The original amount, new amount, and difference will be reported on the Calendar Year To Date Report (HRS3000).
<b>Emplr Sponsored Health Coverage</b>	Type the amount attributable to the Affordable Care Act.  Negative amounts are not allowed.  The original amount, new amount, and difference will be reported on the Calendar Year To Date Report (HRS3000).
<b>Emplr FICA Tax</b>	Type the amount of the employer's FICA tax contribution during the current calendar year.
<b>Emplr Medicare Tax</b>	Type the amount of the employer's Medicare tax contribution during the current calendar year.
<b>Annuity Roth 457b</b>	Type the amount deferred by the employee for a Roth 457b annuity (R2 deduction type). The amount from this field displays in Box 12 (EE) on the employee W-2.
<b>Reportable Overtime</b>	This field applies to calendar years 2025 and beyond. It captures the half-time portion of overtime pay from the <a href="#">Payroll &gt; Maintenance &gt; Hours/Pay Transmittals &gt; Ovtm Hours</a> tab, which must be reported to employees. Eligible overtime wages include pay for hours worked over 40 in a week, calculated at 1.5 times the regular rate. Only the additional half-time portion, the extra 0.5 rate applied to overtime hours, is reportable.  Negative amounts are not allowed. This field can be edited; however, any changes to this field require a date in the <b>Please select the pay date to be used for the pay history records</b> field.  For the 2025 tax year, this information will print in box 14 on the W-2.  <b>Note:</b> If overtime is paid as supplemental pay, it will not be calculated in this field. You must manually calculate the reportable amount and enter it here.

Under **Unemployment Data**, complete the following fields:

<b>First Quarter</b>	Type the quarterly gross and tax values.
<b>Second Quarter</b>	Type the quarterly gross and tax values.

<b>Third Quarter</b>	Type the quarterly gross and tax values.
<b>Fourth Quarter</b>	Type the quarterly gross and tax values.

When an amount has been changed in certain fields on this tab, the **Please select the pay date to be used for the pay history records** field displays. Click  to select a date that is used for the pay and distribution history records. Be sure to select a pay date that is within the quarter in which you want to make the change. Changes are displayed on the Quarterly 941 Worksheet (HRS5000) report within the quarter attached to the pay date in the Pay Dates table. A pay date must be selected if you click **Save** to save the record.
