Payroll > Maintenance > Hours/Pay Transmittals > Non TRS

This tab is used to maintain records for employees who receive non-TRS supplemental pay amounts such as travel and uniform allowances and TRS ActiveCare contributions taken as compensation. Note that transmittal records cannot be changed after a payroll has been run. Nontaxable amounts are not included in the 457 deferred compensation when the percentages for 457 deferred compensation is used. Nontaxable amounts also are not included in unemployment, FICA, TRS, and withholding tax calculations.

The tab consists of a grid at the top and a free-form area at the bottom.
