# Overtime Hours - HRS3300

## Human Resources > Maintenance > Hours/Pay Transmittals > Ovtm Hours

This tab is used to create and maintain the overtime hours transmittal records for overtime hours worked by an individual employee. The district has the option to use the default overtime object code from District HR Options or the object code of the budget codes. The system uses the overtime hours is defaults set on the Create Hours tab, unless other values are entered on the current tab. Note that transmittal records cannot be changed after a payroll has been run.

This tab consists of a grid at the top and a free-form area at the bottom.

**Note:** Entries on this tab are not processed when selecting Supplemental Payroll on the Run Payroll process page. They are only processed with regularly scheduled payroll processing.

### Change overtime hours:

Under **Retrieval Options**, enter any of the following criteria:

Field	Description
<b>Pay Date</b>	Click  to select an unprocessed pay date. This field must be populated to retrieve any eligible employees.
<b>Department</b>	Type the correct department code, or leave blank to select all.
<b>Campus</b>	Click  to select a campus code.
<b>Job Code</b>	Click  to select a job code.

Click **Retrieve**. The selected employee information is displayed in the grid area and the free form area at the bottom of the tab.

The **Emp Nbr** and **First/Middle/Last Name** fields display the employee's information from the Maintenance > Staff Demo > Demographic tab.
