# HRS7350 - Leave Status Report

## Payroll > Reports > Leave Information Reports > Leave Status Report

The report reflects cumulative totals of employee leave activity. It reflects the employee leave activity that took place during the current payroll cycle. It lists the leave available to each employee and the accumulated leave used. When a primary campus or pay campus is specified, the campus name and number are printed on the header of each report page. The report provides employee status without transactions.

**Note:** The report only updates for the current month after the payroll has been posted. In order to see the current payroll information, you must post the current payroll information.
