# HRS3650 - YTD Special Adjustment Report

## Payroll > Reports > Year To Date Reports > YTD Special Adjustment Report

The report allows the user to regenerate the report associated with a special adjustment previously created. The report offers sort options by alpha, pay campus, and primary campus. The report also requires the user to select the type of special adjustment to be reported, either percent, expense, or accruals only. If the JV number, Finance transaction date, and accounting period on the report contain any data, the special adjustment is interfaced to Finance.
