Payroll > Utilities > Salary Simulation > Clear Simulations

This utility is used to delete simulation tables. The Clear Simulations tab is not a required step in the simulation process.

For accurate data to display, data from the Local Annual, Hourly/Daily, Extra Duty, and Midpoint tabs need to be retrieved again after the salary tables have been cleared.

Clear existing simulation tables:

The system displays all available simulations on the left side of the page. Select which entries to delete using the following buttons:

- Click to move selected entries from the left side to the right side of the page.

- Click to move all entries from the left side to the right side of the page.

- Click to move selected entries from the right side to the left side of the page.

- Click to move all entries from the right side to the left side of the page.

Click **Clear** to delete the selected tables. You are prompted to [create a backup](#).
