Health Insurance Status - HRS3860

Human Resources > Maintenance > Health Insurance Status

This page is used to track and record the employer's health insurance offer dates and the employee's response to each offer. This data is used to ensure that the employer is in compliance with the Affordable Care Act (ACA) by offering health coverage to all applicable employees.

Retrieve and add health insurance offer data:

| Field | Description |
|-----------------|---|
| Employee | Begin typing the employee name or number. As you type the data, a drop-down list of corresponding data is displayed. Select an employee and click Retrieve . Or, click Directory to perform a search in the Employees directory . |

Click **+Add** to add a row.

| | |
|----------------------|--|
| Offer Date | Type or select the date the employee was offered health insurance in the MMDDYYYY format. |
| Action Status | Select one of the following options to record the employee's response to the health insurance offer. Accept - accepted the health insurance offer Reject - rejected the health insurance offer |

Click **Save** to save the changes.

Other functions and features:

| | |
|-----------------|---|
| Retrieve | Retrieve data . The Retrieve button is also used to retrieve information from the last save. If you click Retrieve , any unsaved changes are lost. |
|-----------------|---|

Print
