**Position Management > Maintenance > PMIS Position Modify > Budget**

This tab is used to create, modify, or delete budget data related to a position record.

- If the position is vacant, the budget values are used to calculate the budget requirements for the position.
- If the position is for a new employee, the budget values are populated to the new employee's payroll records (e.g., job information, pay information).
- If the position is for an existing employee, the budget values are not used.

**Add or modify a record:**
