

Hourly/Daily - HRS6250

Table of Contents

This tab is used to automatically reference the correct hourly/daily salary for positions, based on their pay grade, pay step, max days employed, and local schedule code. This table can then be utilized to alter simulations for those positions, such as teachers, paraprofessionals, maintenance, bus drivers, and other jobs as maintained by the district.

You must be logged on to a next year pay frequency to access this utility.
