**Purchasing > Maintenance > Bid Processing > Create/Modify Bid**

This page is used to create new bids and edit existing bids. Bids are submitted to vendors to solicit a quote on specific products.

- Requisitions with a credit card code cannot be added to a bid.
- You can only view the bids that you created; however, if the **Global Access** field is selected on the Maintenance > User Profiles > Purchasing Permissions tab in District Administration, you can view bids created by all users.
- Only the final approver in a selected workflow can create or modify a bid.
