## Warehouse > Inquiry > Reference Numbers - Warehouse Requisitions

This page is used to display a list of reference numbers and the requisition numbers associated with them. If a campus user performs maintenance on a warehouse requisition using the [Warehouse Requisition Status](#) page, the Reference Numbers - Warehouse Requisitions page can be used by the campus user to view other Warehouse requisitions currently being processed. To view additional details on a specific requisition, the campus user can return data to the Warehouse Requisition Status page for a specific requisition.

### Perform a reference number inquiry:
