BWH1100 - Reorder Report

Warehouse > Reports > Warehouse Reports > Reorder Report

This report provides a list of warehouse items with reorder information.

Parameter	Description
Select Item Number(s), or blank for All	Type the six-digit item number, including all leading zeros and separating multiple item numbers with a comma (e.g., 001991, 571991). Or, click to select from a list of available item numbers. Otherwise, leave blank to include all item numbers.
From Days Since Last Order	Type the from date in the MMDDYYYY format to indicate the beginning date since the last order was placed, or leave blank to use all from dates.
To Days Since Last Order	Type the to date in the MMDDYYYY format to indicate the ending date since the last order was placed, or leave blank to use all to dates.
From Days Since Last Request	Type the from date in the MMDDYYYY format to indicate the beginning date since the last request, or leave blank to use all from dates.
To Days Since Last Request	Type the to date in the MMDDYYYY format to indicate the ending date since the last request, or leave blank to use all to dates.

Generate the report.
