Warehouse > Tables > Category

This page is a user-defined table and allows warehouse users to establish groupings of inventory items by category.

Create a category:

Click **+Add** to add a row to the grid.

Field	Description
Category Code	Type a five-character code to represent the category.
Category Description	Type the description of the category. The description can be a maximum of 25 characters.

Click **Save**.

****NOTE:**

Other functions and features:

	Delete a row. Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. Click Save .	If all columns are not zero, or if the account is being used by Finance, Human Resources, or Requisition, a warning message is displayed and the account code cannot be deleted.
Retrieve	Retrieve data. The Retrieve button is also used to retrieve information from the last save. If you click Retrieve , any unsaved changes are lost.	

Print[Print account data.](#)**Review the report using the following buttons:**
