# PEIMS Attendance Submission

The ASCENDER District Administration application provides programs to extract the appropriate data for each collection from the Business and Student systems. These programs are reviewed and modified annually, per the published Texas Web-Enabled Data Standards (TWEDS), to ensure that the data extracted to the district database is as accurate as possible. The extracts provide many of the edits as defined in the TWEDS.

The PEIMS Attendance Submission includes attendance and special student population data relevant to the Summary of Finance report, five times during the school year, once for each of the first five six weeks reporting periods. All data collected in the PEIMS Attendance Submission will be recollected in the PEIMS Summer Submission.

The extract programs create the appropriate records in the district database, taking into account the school-start window and the as-of date. The as-of status code is automatically generated for each student record.

Click on the TWEDS [Submission and Resubmission Timelines](#) to see complete information for PEIMS Attendance Reporting.

**IMPORTANT:** Some of the images and/or examples provided in this document are for informational purposes only and may not completely represent your LEA's process.

For a complete list of submission rules and edits, access the TSDS Web-Enabled Data Standards (**TWEDS**) website. In the top-right corner, select the appropriate **School Year** (20XX), **Collection** (XXXX), and **Submission** (XXX) and click **Open**.

Once on the TWEDS website, in the Overview tab, you can review **Collections**, **Timelines (DUE DATES)**, and **Data Submission Responsibilities**. It is **highly important** to ensure that you review all of these details as they may change according to the **School Year**.

Additionally, you can use the other tabs on the TWEDS website to review **Data Components**, **Descriptor Tables**, **References**, **Rules**, **Change Logs**, and **Early Notices**.

## Prerequisite

Verify that all roles and users are correct in ASCENDER Security Administration.

# Verify ASCENDER Student Data

Verify data for each element in the following ASCENDER Student applications. **It is suggested that you run reports first and then use the maintenance pages in the Student applications to update data where needed.**

### VERIFY ENTRY/WITHDRAWAL DATES FOR ENROLLMENT

- o If a student has been placed in a disciplinary setting, and is not receiving special program services during that time, the student may be withdrawn from the program while in the disciplinary setting, either by performing a status change or withdrawing the student from the program for those dates. In this case, for programs such as special education, bilingual/ESL, etc, the student may be withdrawn from the special program during the disciplinary assignment, and then re-enrolled in the program when the student returns. See the TEA Student Attendance Accounting Handbook (SAAH) for additional information, and be sure to review your local procedures/policies.
- o For CTE, a status change should be performed on the **W/R Enroll** tab (to update the **CTE Elig** field) at the beginning and end of the disciplinary assignment. A student can be assigned to a disciplinary setting for up to five consecutive days and continue to receive CTE hours even if CTE services are not provided to the student during placement. After five days, the student can continue to earn credit for the class but cannot claim additional funding; the funding clock must be set back to the first day of the disciplinary assignment.

**NOTE:** If participating in Optional Flexible Year Program, use a separate attendance track to move students. Students should have been moved the first day of the cycle (where the OFYP dates are scheduled) using the Record Status Change.
